## ZE215G ACE

|                      | Items                            | ZE215G ACE                                                     |
|----------------------|----------------------------------|----------------------------------------------------------------|
| Basic Technical Data | Operating Weight                 | 22000                                                          |
|                      | Standard bucket capacity (Range) | 1.1 m <sup>3</sup> (0.85 m <sup>3</sup> - 1.1 m <sup>3</sup> ) |
|                      | Slewing Speed                    | 12 r/min                                                       |
|                      | Traveling Speed(high/low)        | 5.4/3.4 km/h                                                   |
|                      | Max. Drawbar Pull                | 210 kN                                                         |
|                      | Digging Force of Bucket          | 150 kN                                                         |
|                      | Digging Force of Stick           | 109 kN                                                         |
| Engine               | Engine Manufacturer              | ISUZU                                                          |
|                      | Engine Model                     | 4HK1XDEAA-01                                                   |
|                      | Rated Power                      | 133 kW / 2000 rpm                                              |
|                      | Displacement                     | 5.193 L                                                        |
|                      | Emission Standard                | EU Stage II                                                    |
| Dimensions           | Length                           | 9650 mm                                                        |
|                      | Width                            | 2990 mm                                                        |
|                      | Height                           | 3150 mm                                                        |
|                      | Boom Length                      | 5700 mm                                                        |
|                      | Stick Length                     | 2925 mm                                                        |
|                      | Tail Slewing Radius              | 2935 mm                                                        |
|                      | Track Gauge                      | 2390 mm                                                        |
|                      | Length of Track on Ground        | 3470 mm                                                        |
| Operating Range      | Max. Digging Radius              | 9900 mm                                                        |
|                      | Max. Digging at Ground Level     | 9720 mm                                                        |
|                      | Max. Digging Depth               | 6660 mm                                                        |
|                      | Max. Digging Height              | 10010 mm                                                       |
|                      | Max. Dumping Height              | 7270 mm                                                        |

With the continuous evolution of technical design, product changes may occur. Regrettably, we cannot ensure timely notification of all alterations and sincerely seek your understanding.
